

Public Transit Elders and Persons with Disabilities Regional Committee Meeting
Virtual Meeting
Friday, May 14, 2021
10:00 – 11:00am

Attending: Otis Munroe (MARC), Tim Bradshaw (VTrans), Christine Howe (SEVT), Wendi Germain (Senior Solutions)

Workplan Review and Adoption: Changes to the workplan since it was discussed at the April 23rd meeting were reviewed, mostly around data reporting requirements. Motion by Christine Howe to adopt the workplan, second by Wendi Germain, motion passed unanimously.

Follow-up Survey: In view of the deadline extension to June 30, 2022 it was decided to postpone further discussion of the survey until a larger part of the Committee is present. The possibility was raised of revisiting the questions related to COVID-19, but it was decided to leave them as-is for the time being.

Other Business: Tim Bradshaw brought a Notice of Funding Opportunity (NOFO) from the CDC to the attention of the Committee. The grant is designed to help address social determinants of health. The Committee discussed the need in the region to improve food access and the availability of social trips. There was interest in looking into the grant further by members of the Committee, but the Committee itself will not have any further involvement at this time.

Motion to Adjourn by Christine Howe, 2nd by Wendi Germain. Motion passes unanimously.
